Expanding Quality in Infant and Toddler care

SPRING 2022: ONLINE

## BENEFITS OF EQIT

A 48 hour training provides early care and education professionals with up to date information to enhance their responsive caregiving with infants and toddlers.

Successful completion meets the Office of Early Childhood's infant toddler training course requirements for several positions within an early childhood setting.

## Class structure

For this class, we will continue a virtual meeting except for Orientation and Graduation.

Evenings on various Mondays, Tuesdays & Thursday evenings from 6:30 - 9:30pm **online**.

### Required Orientation - In Person

Wednesday, January 6th

### Final Class - In Person

Monday, March 7th

**Class fee - \$50**

Pay online or with cash/check to BECC
